President’s Message

Dear SPCC members, guests & supporters,

I hope this message finds you well as we embrace the chillier days ahead. A hearty thank you to everyone who participated in or supported the 2024 SPCC Allstate Junior Classic, held this past weekend! The event was a resounding success, showcasing the incredible talent, sportsmanship, and camaraderie of our young curlers. This tournament would not have been possible without the hard work and dedication of our organizing committee and volunteers. From setting up ice sheets to ensuring the day ran smoothly, your efforts were invaluable. A special shoutout to our sponsors, including Allstate, for their generous support, and to the parents and fans who cheered on the athletes with such enthusiasm. Hopefully all who attended had the opportunity to get pictures in the big white chair

The Junior Classic highlights why curling is

more than a sport—it’s a community. Watching our next generation of curlers compete and grow on the ice was truly inspiring. Congratulations to all the teams for their fantastic efforts, and a round of applause to the champions!

As we transition into colder weather, let’s keep the warm spirit of curling alive both on and off the ice. Stay cozy, layer up, and continue to bring your best game to the rink. We have an exciting season ahead, and I can’t wait to see you all out there.

Thank you for being a vital part of the SPCC family. See you on the ice!

Warm regards,
Chris

Manager's Message

Let it snow, let it snow!

Big fluffy snowflakes have blanketed our community with the glow of the winter and this signals MORE Curling! As curling fans we will curl up in our blankets at home and watch more curling or we will head out to a curling club to curl, watch other curls or enjoy the socializing that curling brings! We are in the heart of the curling season and when you arrive at the club we are doing our very best to make sure you feel welcomed and are enjoying your time both on and off the ice. You will see that SPCC has transformed into a winter wonderland. Try out the new hot chocolate bar - yummy!! The spirit of giving is alive and as the hustle & bustle of the holiday season starts, I encourage you all to continue to give back to our local charities. We are blessed to be part of this curling family.

Lots of smiles,
Elf Heather

Curling Day in Canada

Join us for a Curling Day in Canada Webinar! This event is a fantastic opportunity to connect with fellow curling enthusiasts and discover the exciting activities planned for the day. When: November 28th, 2024, at 5 PM MT Register: <https://bit.ly/3B0ltUY>

Parking Reminder

Reminder that when the parking lot gets full on double draw nights, overflow parking is in the West Hosford school. For additional lighting, walk along the street front vs taking the north trail through the trees.

NO parking on either side of the building. This is an emergency fire access way and your vehicle will be towed. Especially the ramp on the West side of the building near school playground.

NO parking on the outside of the concrete barriers

Bathroom Lobby

Reminder that towel pins have been mounted in the lobby of the bathrooms. Curlers can lean your brooms and hang your bags without using the baby change table. In the past we have noticed that large bags hanging on the change tables is causing damage. Thanks for your cooperation
