President Message

I'm honoured to introduce myself as the new President of the Sherwood Park Curling Club. As someone who deeply values community and the spirit of curling, I'm excited to step into this role and work alongside all of you to continue building a club we're proud of. Whether you're a long-time member or just getting started, I'm committed to making sure our club remains welcoming, inclusive, and full of great curling experiences. I look forward to meeting more of you throughout the season —on the ice, in the lounge, and everywhere in between. Let's make this a fantastic year together!

Neal Woloschuk

15 Days Until Deadline!

The deadline for registration for the 2025-26 SPCC season is AUGUST 15th! All players in SPCC leagues have until August 15 to pay their league fees and Curling Alberta fees! (so 5th and 6th players have work to do too!)

If you are a junior curler or a member of the Senior Mixed League who paid the HMS (Hold my spot) fee of \$75, you have until August 15 to pay the remaining balance of your fees .

Don't forget to update your SPCC profile – did you move? New cell? Who should we call in case of an emergency? Let's keep our records current so we can keep you safe and informed.

If you do not pay by August 15th, there are late fees that will be added your registration fee.

Manager's Message

Let's make it a golden year, SPCC!

During my **golden 50th year** - I'm embracing it with all the energy, adventure, and curling spirit I can muster! So, let's make it **our golden year** too, SPCC style! With the **2026 Winter Olympics** just around the corner, there's no better time to throw ourselves back into the rings and sweep into a season of passion, precision, and community!

Curling is coming!

League play kicks off at the **end of September**, and the ice will be ready for **practice bookings one week prior**. Don't wait to get back in the hack—your balance, your cardio, and yes, even your hamstrings will thank you!

Get curling-ready now:

🏃‍♀️ Start your return-to-curling routine today. A little stretching, a little cardio—whatever keeps those joints happy and those slips minimal.

📅 Book that **practice ice** before the season starts and ease back in. We recommend at least one or two sessions to test your balance, get in some slides, and reconnect with your curling instincts. Booking is available starting September.

Calling all NEWBIES!

Got a buddy who's never curled but secretly wants to try? Invite them! We're actively welcoming new curlers—no gear, no problem. We've got equipment, instructors, and a warm club vibe to help make their first curling experience a great one. Visit our website for upcoming sessions for all levels of play - beginner - intermediate - advanced!

Mark your calendar: NOV 1 – CURL FOR DAD

Together with **David & Alyssa Nedohin, members of Team Plett, members of the Ferbey Four and the Ride for Dad committee**, we're hosting our **1st Annual Curl for Dad**, a day-long event in support of **Cancer Foundation Research**. Expect curling celebs, interactive fun, a meal, entertainment, raffles, and loads of community spirit. It's curling for a cause and you won't want to miss it.

SPCC Socials are BACK!

Get ready to mingle! 🎶 We'll be announcing dates, bands, and more soon. These social nights are always a highlight, so don't miss out.

Let's launch into this season with gold medal energy and community pride!
