## Message from our President

I am pleased and honored to be the President of the Sherwood Park Curling Club for 2022-23. A year which will be memorable as we approach our 20 year anniversary as the SPCC and celebrate 60 years of curling in Sherwood Park.

The heartbeat of any club is the commitment and determination of its volunteer members. I am so fortunate to work with a group of individuals who have a passion for creating an outstanding experience for every individual who steps foot into our club. Thank you to all who have worked on the board in the past, and for those who have stepped up this year.

It's going to be a busy and exciting year, which we are all looking forward to.

I wish all members and their families a wonderful summer and look forward to seeing you at the club when we return in September.

Cheers, *Rodney Yaremchuk*

# Manager's Message

July is the BEST month of all to think about ice...

In our summer drinks! I am pleased to report that registration for the upcoming season is going very well and we are moving forward with several off season projects to enhance your experience when you return to the club this Fall.

We appreciate your feedback on the SPCC Lounge Survey and we took it into account as we searched for and hired our new food service providers. Lots of tasks are being completed including the signing of our new SPCC Lease with the County, installation of the new R/O system and historical banner wall and planning for the upcoming major events including the 2023 Strathcona Cup and Alberta Special Olympics Winter Games. Most importantly, we are getting ready to celebrate our 20th anniversary year as the SPCC and 60 years of curling in Strathcona County in 2023!

My summer happy hour is dreaming about all the ways to celebrate our amazing members and coming together as we can to enjoy each others' company. CHEERS to you enjoying the summer sunshine and we look forward to seeing you all back on the ice near the end of September!

# National Champions!

Just in case you missed it on social media or in the Sherwood Park News, the SPCC is the now the home club of the 2022 U18 Girls Canadian Champions!

(L to R, Blair Lenton, coach, Myla Plett, skip, Rachel Jacques, 3rd, Alyssa Nedohin, 2nd, Chloe Fediuk, Lead and Lauren Miller, alternate)

Team Plett and their families and friends travelled to Oakville in May for the Canadian Championships. The team qualified for the playoffs with a 4-2 record and then went on a winning streak that ended with a win in the Gold Medal game!

Way to go girls! The SPCC is proud to be your home club and we look forward to seeing you curl here next season.

Tony George

## Lounge News!

## RO System Update

There's no ice at the SPCC right now, but that doesn't mean that nothing is happening. We are in the process of making a significant capital improvement with the installation of a reverse osmosis system. When the new season starts,

Terry will have access to a larger volume of higher quality water which means even better quality ice for all of us.

## Searching for new SPCC Members

We have space left in a few SPCC leagues for the upcoming season.

Monday Doubles - up to 7 teams  
Sunday Open - 6 teams  
Sunday Rookie - 7 teams  
Tuesday Ladies - 2 teams  
Thursday Ladies - 2 teams

We have had 6 teams express interest in joining the resurrected Saturday Night League. We are looking for at least 4 more teams to make this league feasible.

If you or anyone you know is interested in joining a new SPCC league, please send them our way!

## SPCC Junior Programs

We are now taking registration for our junior programs for the 2022-23 season. We love to introduce the game to young players and see them grow and develop their skills. If you have a future curler in your family, we would love to get them out on the ice.

U12 (for curlers 9-11) is on Mon. at 4:15

U15/U18 (for curlers 12-18) is on Wed. at 4:00.

Parent and grandparent coaches are the foundation of our junior programs. If you are interested in coaching on Mondays or Wednesdays, please contact [juniors@sherwoodparkcurling.com](mailto:juniors@sherwoodparkcurling.com)

# Be seen in SPCC Blue!

We love seeing where our members (and their hoodies) travel in the off season.

## Our Sponsors

We hope you noticed some of our sponsor logos at the bottom of each page. Our sponsors are an important part of the SPCC and we appreciated their support in the 2021-22 season. Please return the favour and support all of our sponsors all year round.
